The authority and responsibilities of the District Governor shall in no way be impaired or impeded by the advice or actions of the Past District Governors. Additional meetings may be called at the discretion of the District Governor, without limitation. The sitting District Governor will convene and chair all Advisory Council meetings.

Article 5 Finance

5.1. Budget

Cooperating with the Governor-Elect, the Finance Committee shall prepare a budget of district expenditures, which shall be submitted to the clubs at least four (4) weeks prior to the District Assembly and approved at a meeting of the incoming Club Presidents at such District Assembly. The amount of any per capita levy on clubs for district funding should be decided in

accordance with the RI Bylaws.

5.1.1 Budget Development

The budget shall consist of projected income, the proposed annual per capita district dues, and allocations for program and operating expenses. The budget shall show a reserve for contingencies of at least two percent (2) of the amount of total income. The Finance Committee shall certify the proposed budget to the District Governor-Elect by April 1 of the preceding Rotary year, and the District Governor-Elect shall provide a copy of such proposed budget to each club President and President-Elect with a notice that such budget shall be presented for adoption at the annual District Assembly. Such notice shall be mailed at least thirty (30) days preceding the date of the District Assembly.

5.1.2 Adoption of the Budget

The budget as presented by the Finance Chair or designee to the District Assembly, and as may be amended by the District Assembly, shall be adopted by a simple majority of the Presidents-Elect present and voting at the District Assembly. Only Presidents-Elect may vote to amend or adopt the district budget, provided that where a President-Elect is formally excused from attending the District Assembly by the District Governor-Elect, a designated representative of the President-Elect shall be entitled to a proxy vote.

5.1.3 Investments

Investment of funds not currently needed may be made by the District Governor and District Treasurer in accordance with the policies of Rotary International. Separate accounts for the District Conference or for other purposes may be opened at the discretion of the District Governor, provided that all such other district depository accounts shall have the Treasurer and another District Officer as signatories on each account and that all bank statements shall be delivered by relevant banks to the Treasurer. The above requirements shall not apply to the District Emergency Fund, which shall be governed as provided below.

5.1.4 Supervision of Funds

The Governor-Elect shall name a District Treasurer, who shall be a member of the Finance Committee and who will keep proper records of income and expenditure of district funds. The funds shall be held in a bank designated by the Governor-Elect, in an account in the name of the district, and shall be supervised by the District Governor jointly with another member of the Finance Committee, who should preferably be the Treasurer when available. The District Treasurer may conduct the financial business of the District electronically.

5.1.5 District Governor Authority Over Budget

The District Governor may expend the funds budgeted and received. The District Governor shall have the authority to revise budget line items after consultation with the Finance Committee, provided that the District Governor may not expend more than the total amount appropriated by the district budget except as hereinafter provided. Those items which contemplate a contribution to a succeeding year's budget, a contribution to special funds, or as may be specified by these bylaws or district resolutions may not be expended by the District

Governor for any other purpose. The District Governor shall not approve any fundraising program for general district budget purposes that does not appear in the approved budget or which has not been approved by the District Assembly. The prior sentence of this subparagraph is not intended to prevent the District Governor from approving the solicitation of advertisements or other methods of raising funds for any district publication.

5.1.6 Budget for Attending RI Functions

The budget shall provide an appropriation sufficient to enable the District Governor- Elect and his or her partner to attend the Rotary International Convention, to enable the District Governor and partner, and the District Governor-Elect and partner to attend the District Conference, and to enable the District Governor, the District Governor-Elect, and the District Governor-Nominee to attend Rotary Zone Institute programs such as Governor-Elect training, Governor programs, etc. The budget shall further provide an appropriation to enable the District Trainer to attend the sessions provided for such trainers at the Rotary Zone Institutes. Nothing is intended in this provision to restrict the district from providing an appropriation for other officers or partners for other district, zone or international meetings. In determining such appropriations, the Finance Committee and the District Assembly shall consider the lowest costs reasonably necessary for an officer to attend the specific meeting only.

In the event that a Rotary International Convention is held in a location requiring an unusually large appropriation for attendance by the District Governor-Elect, the budget may in prior years anticipate such expense by a partial appropriation, which shall be paid over to succeeding district treasuries until needed for such convention. Any unused funds appropriated for attendance at the Rotary International Conventions shall be considered line items and shall be paid over to succeeding district treasuries solely for the same purpose.

5.1.7 Appropriations for Charitable Purposes

The budget may provide for an appropriation or contribution to any fund created by the district for a charitable Rotary purpose.

5.1.8 Appropriation for District Conference

The budget may contain an appropriation towards the conduct of the District Conference to cover those expenses assumed by the district for the conference, including but not limited to the expenses of the RI President's Representative, the attendance of Interact and Rotaract leaders, and the attendance of a Group Study Exchange team.

5.1.9 Payment of Obligations Due

The District Governor shall pay all of the obligations of the district no later than two (2) months following the end of his or her term of office and shall dispose of any excess funds as follows: The exiting District Governor shall pay over to the incoming District Governor

(a) The sums budgeted that were intended to be paid to a succeeding treasury for a specific future use; and

(b) Ten percent (10) of the funds remaining, except for restricted funds which must be paid over to the succeeding District Governor, shall be paid over to the Finance

Committee for deposit in the District Emergency Fund, provided that no such transfer to the District Emergency Fund shall be made which shall raise the amount of the Fund to more than sixty percent (60) of the amount of budgeted operating expenditures for the year during which the transfer is made.

(c) For the purpose of this section, "operating expenses" shall be defined as all budget items except for the programs and district events that are intended to be funded by sources other than district per capita dues.

(d) Funds in excess of those required to be paid over to the District Emergency Fund may be used for any purpose permitted by the Rotary International Bylaws or Code of Policies.

5.1.10 Allocation of Payments Between District Governor and District Governor-Elect

District Governor-Elect budget pays for:

1. Supplies for PETS and Assembly, including handouts, AV expenses, outside speaker fees or expenses, notebooks, pins, banners, flags, gifts to incoming Presidents and district officers.

3. Deposits for any items related to the DGE's district conference
4. Cocktail Party at the District Conference for Presidents Elect and incoming officers.
5. Deposit for Eat, Drink and Share District fundraiser, or alternate district fundraiser to take place during the DGE's year as Governor.

District Governor's budget pays for:

1. All of the DG's planned and budgeted expenses during the DG's year.

7. All District conference expenses during the DG's District Conference.
8. District conference expenses for the DG and Partner; and DGE and partner, to attend the annual District Conference
9. DGE's Trainer to attend Zone Institute or other RI training programs designed specifically for Trainers.

10. Deposits for DGE's programs if needed for PETS, Assembly and first District Staff meeting.

5.2 Annual Audit

The District Governor must supply an annual statement and report of the district finances to each club in the district by October 15 of the completion of his or her term of office. The annual statement and report shall be reviewed by a qualified accountant and the Audit Committee. This annual statement and report shall be presented for discussion and adoption at the next District Assembly, to which all clubs are entitled to send a representative and for which a thirty (30) day notice has been given that the statement of the district finances will be presented for adoption or, if no such meeting is held, by the following district conference.

5.3 District Emergency Fund

The District Emergency Fund, funded as provided above, shall be maintained in a depository designated by the Finance Committee. All withdrawals shall be made jointly by the Chair of the Finance Committee and the District Governor. The funds held in the District Emergency Fund may be expended only in an emergency as approved by a majority of the Finance Committee upon the recommendation of the District Governor. District Governors-Elect may borrow up to ten thousand dollars (\$10,000.00) from the fund on or after October 1 of each year in order to defray the costs of organizing the district. The funds borrowed shall be deposited in the Governor-Elect's district treasury account, and all expenditures from those funds as provided for in the Governor-Elect's annual district budget shall be subject to review by the Audit Committee and shall be repaid to the District Emergency Fund no later than September 15 of the District Governor's term. A negative decision of the Finance Committee as to the payment of any funds from the District Emergency Fund may be appealed by the District Governor to the presidents of the clubs at a regular or special meeting of the District Assembly or District Conference.

5.4 Per Capita Dues

Each Club shall pay such annual per capita dues which shall be approved in the district budget. The incoming District Treasurer shall provide a bill to each club on or about June 1 of each year and such dues shall be due and payable on July 1. The per capita dues shall apply to all members, other than honorary, and those under age 30 under certain conditions (see below), of a club as of July 1 of each year. A club that has not paid their dues in a timely fashion will be solicited by the District Treasurer for the purpose of encouraging the club to pay their dues.

The waiver of dues for those members under 30 years of age shall apply only if their club waives the district dues and their club dues. Therefore the only dues a member under age 30 will pay under this program are the Rotary International dues. This is an optional district program, in which each club will decide individually if they wish to participate.

Article 6 - Councils on Legislation and Resolutions

Overview

Rotary Clubs are organized as a 501(c) (4), which are considered Social Clubs, and are not tax exempt. Many clubs have a Club Foundation, which is a 501(c) (3), a Tax Exempt Organization. The Rotary Club and the Club Foundation work together to accomplish their goals in the same way that Rotary International and the Rotary International Foundation work together. The club provides the manpower, and the Foundation provides the tax free structure. The District Foundation is a separate organization from RI District 7510, but works with it to accomplish the goals of the District.

Mission Statement.

The District Foundation has 4 purposes:

First: To support the educational efforts of the District, including PETS, Assembly, College of Governors, Membership Seminar, Foundation Seminar, Staff Meetings, Team Training, etc.

Second: To support the current Governor with any District fundraisers, such as Eat, Drink and Share.

Third: To support the District by holding funds for multi-year programs which span two or more Governors.

Fourth: To support clubs in our district which do not have their own Club Foundation.

Guidelines.

The District Foundation should be notified whenever their Tax ID Number is being used, even if it is not for fundraising purposes. All funds must be deposited in the Foundation account, and all checks to vendors issued from the Foundation account. Checks for deposit should be clearly marked with the source of the funds, such as District 7510, or the Rotary club's name, and the project or purpose of the deposit. Forms are available on the district website. Collections need to be made by the respective clubs, or the appropriate District official. The District Foundation can provide a document- the NJ Form ST -5; which exempts vendors from collecting NJ State sales tax. The District Foundation may not be involved in political activities or political campaigns in any way.

Board of Directors.

The Board of Directors will include the sitting District Governor and the immediate Past District Governor, and three other current Rotarians. The Board members will serve without compensation. There shall be an annual meeting of the Board, which may be conducted electronically. The names of the current members of the board will be available on the District Website.
